

Discovery Drill EF50
DISCOVERY DRILL MANUFACTURER

Discovery Drill Manufacture offers turn key Hydraulic Diamond Drills that will enable a Diamond Drill contractor to undertake a project upon delivery.

The EF50 has been designed with the operator in mind from both the perspective of safety and ergonomics. The EF family of drills have five factors built into each and every one:

1. Employee Safety
2. High Efficiency
3. High Performance
4. Environmental Protection
5. Versatility, and Turnkey ready
