

Longyear 38 Drill Fly
BOART LONGYEAR

Boart Longyear is recognized worldwide as a leader in the manufacturing of Diamond Core Drills. They manufacture a broad range of Core Drills for surface and underground applications.

Boart Longyear offer a variety of solutions, from shallow and deep hole drilling, with small and large diameter core, for both wireline and conventional drilling to versatility of mounting. They can be mounted from a truck, crawler, trailer, flyable versions or skid mounted to suit many applications.
